## Griffs to Play Two Games In Cincinnati if Proper **Bookings Can Be Made**

By GEORGE L. MORELAND.

President Griffith was hustling yesterday getting ready for his Christmas duties at home, but he found time to answer a few questions, and they will be pleasing to the fans.

The first one was that there is a possibility that the Nationals may play two games in Cincinnati, the first on Saturday, April 3, and on the following day, Sunday.

He stated that he had just received a letter from Busineses Manager Bancroft suggesting that the two teams play in Cincinnati on these days. Should this arrangement be completed it will mean a bundle of coin for the Nationals, as it would be the opening games of the season in Redville, and as the Reds have not been seen on the home grounds since they won the world's series it means two large

He has also received a suggestion from Bancroft that sounds good and if the deal is completed it will mean that the Nationals will go to Miami and play a couple of games at the training camp of the Reds. Then the two teams will stop off at Palm Beach on the way North and after peach on the way North and after playing at that famous resort a game will be played at Jacksonville and the two clubs would then journey over to Tampa where two games will be played on the Nationals' training

The visitors are playing in New York City tonight against the Greater New York night against the Greater New York Deaf Stars, all former hasketball stars from the State of New York, and in Philadelphia tomorrow night. In letters received from Rockwell, he evidently has heard of the ability of Gallaudet's star centre. The boys at Gallaudet are just crazy to see this star and are looking forward to a royal battle.

This is the twenty-round affair at New Haven in which Leonard risks his title for the first time. According to the chattering of Johnny Dundee he intends to carry

Leonard along at a hurricane pace and when the champion is tired John will step in and administer the coup de grace. This terrible threat on the part of Oundee is cheering to his admirers but 'tis possible Leonard may decide to set the pace and thereby upset Dundee's well laid plans.

## OFFER OF \$750,000 MADE FOR BOUT

Los Angeles, Dec. 24.—The high-water mark in the frenzied finance to stage the Carpentier-Dempsey bout was reached today when Geoerge P. Galloway, wiring from Bartlesville, Okla., offered Jack Kearns, Dempsey's manager, \$750,000 for the bout.

The offer specifies that the men are to box in an open-air arena at the fair grounds at Dewey, Okla., July 4, 1920, and contains the further condition that the principals in the bout appear in the movie film boosting "Pershing, the wonder oil town of the Osage."

"I don't know anything about the wonder oil town or about the movie end of the deal," said Kearns, "but there's money in that country, and money talks. I am wiring Galloway for more particulars and am going to give him a lot of consideration."
